

Handlebar grips for bike/scooter

ENJOY OPTIMAL COMFORT FOR YOUR HANDS WHEN TRAVELING BY BIKE OR SCOOTER

These ergonomic handlebar grips are ideal for improving your comfort during your bike rides. They are designed to relieve pressure on the carpal tunnel and ulnar nerve, which can reduce hand fatigue and pain. The non-slip surface guarantees a good grip, even when your hands are wet.

Ergonomic bicycle handlebar grips
Enjoy optimal comfort for your bike rides!

Characteristics:

- Universal fit and easy to install
- Compatible with flat/straight handlebars (external diameter up to 22.2 mm)
- Ergonomic design
- Relieves pressure on the carpal tunnel and ulnar nerve
- Shock absorbing pattern in the palms and increased grip in the fingertips
- Holds the handle in place with the aluminum collar
- Length (140mm), pair of handles adaptable to most systems
